

GREAT PARK ICE

UPDATE FROM OUR GENERAL MANAGER

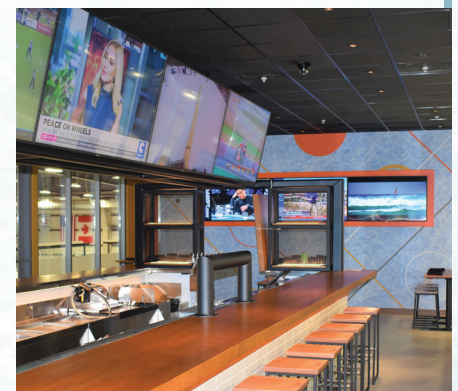

Southern California's largest ice facility, Great Park Ice & FivePoint Arena, has come a long way since we opened our doors late last year. New additions like our in-house pro shop, indoor gym, restaurant, bar and cafe all make for a premier facility many athletes call home. In addition to the world-class athletes that train here every day, it's the local communities that breathe

life, vigor and fun into the energetic atmosphere here at Great Park Ice. We're committed to each group and plan to provide you all with the most up-to-date information on what's happening and what's to come in our quarterly updates. Check out what we have going on this quarter in our first edition of the Update from our General Manager, Eddie Hawkins!

General Manager

BETWEEN THE RINKS

Great Park Ice & FivePoint Arena opened the doors to its highly-anticipated restaurant and bar, Between the Rinks. The new culinary addition overlooks two of the four rinks in the facility providing diners the opportunity to watch their family and friends on the ice as they enjoy the Between the Rinks menu. The restaurant touts over 25 televisions that broadcast in-house games in addition to national and international sporting events and news programming.

Designed as an upscale and modern brewery, standout features of the restaurant include a gaming lounge, a wall of hockey pucks displaying

various NHL, college, high school, junior, youth and club hockey teams and walls canvased with actual hockey, curling, figure skating and broomball equipment. Between the Rinks also boasts natural wood grain tables and chairs made from recycled lumber and a lounging area with soft leather armchairs. The restaurant dining area, which overlooks rink 1 exclusively, has space to host over 100, while the bar area, which overlooks both rinks 1 and 2 can accommodate over 60 patrons.

GREAT PARK ICE

GREAT PARK ICE & FIVEPOINT ARENA IS GREEN

In partnership with the National Hockey League Greener Rinks Initiative, Great Park Ice & FivePoint Arena is committed to protecting the places we play hockey for future generations. We're using innovative technologies to transform our business by lowering emissions, conserving water, reducing waste and more. There are several kiosks throughout the facility that explain in detail all of the technological innovations and operations practices to decrease and improve our environmental footprint. Next time you're here, check them out!

GREAT PARK ICE & FIVEPOINT ARENA STAFF & 3RD QUARTER EMPLOYEES OF THE MONTH

A huge part of what makes Great Park Ice and FivePoint Arena so special is our staff. We appreciate each and every person because of their commitment to outstanding customer service, getting the job done - and doing it right, and their kindness! Though each and everyone of our staff members are awesome, each month we have a few stand-outs! Listed below are our 3rd quarter Employees of the Month!

- George Spelman
- Emily Akins
- Kristen Robles
