“Christmas On Ice” Frequently asked questions:

Q: Where/how do we get started?

A: The best course of action is to select a private lesson instructor (a senior coach from The Rinks Poway Ice’s staff) and let them know that you would like to participate in the Christmas On Ice holiday recital. From there, your private lesson instructor will help you with everything from scheduling lessons, to editing music (usually necessary) and so much more! Our staff is available and always willing to help educate skaters and parents.

Q: What if my skater does not have a private lesson coach?

A: If skaters do not have a private lesson coach, they may ask any coach of their choice. A good recommendation is to ask your class coach as they are already familiar with your child’s skating level. If you are undecided, or need help making a selection, please feel free to contact the Skating Director Courtney Walker at Cwalker@therinks.com

Q: How does this event benefit a skater?

A: Participating in this event teaches the skater what it is like to perform in front of an audience, and gives them the experience they need to move on to competitions or shows...boosting confidence and building friendships through athleticism and performance!

Q: What type of music should the skater perform to? What should the skater wear?

A: Your private lesson coach will be the one to help you with both of these big decisions. Ultimately, skating in an event like this is all about the skater’s self-expression. However, it is always best to have an experienced instructor to help guide you in making the best choices so that the skater feels well prepared for their big day.

Q: Is skate rental included?

A: Yes, skate rental is included for the participant (if needed) for the event.

Q: Where should we go when we arrive to the arena?

A: As soon as the participant arrives, we suggest they check-in at the registration table located near the entrance of the rink. The registration table is where skaters will turn in their music and be directed as to what locker room(s) they may utilize. We recommend arriving at least 45 minutes before that start of our Holiday Recital. This will give the skater time to change, tie their skates, and meet their instructor for any last minute details before going onto the ice.

Q: Is the event open to the public? Do we have to pay to spectate?

A: Admission will be free for the entire event and we hope that you ask your family and friends to come and support your skater on this very special day!

Q: How can I support the Christmas On Ice holiday recital if I’m not skating?

A: We love volunteers! Help is always needed before, during and after an event...yours is always appreciated! Contact the Skating Director for more details: Cwalker@therinks.com
